### UITP

UITP (International Association of Public Transport) is the international network for public transport authorities and operators, policy decision-makers, scientific institutes and the public transport supply and service industry. It is a platform for worldwide cooperation, business development and the sharing of knowhow between its 3,400 members from 92 countries

The 59th UITP World Congress & Mobility and City and Exhibition was attended by 2,000 delegates coming from 80 countries . The exhibition (252 exhibitors from 37 countries , 30,000 m²) was visited by 9,700 visitors . Many Ministers, elected officials, CEOs and high-level executives from authorities, industry and operators were present. The UITP World Congress & Mobility and City Transport Exhibition was being held in the MENA region for the first time.

Ahmed is proud to be part of this prestigious event. We had put all our efforts to create the best designs and mementos for the event. The complete BTL was handled by Ahmed. Right from the welcome kit, to the exhibition news, catalogue, roll-ups, to the dedicated website, awards and photography. Days and nights were spent to put together all according to the UITP brand guide lines. The results were overwhelming from the name tags to the awards and all the event collaterals had been carefully executed by our team

### **Success Stories: Corporate**

The UAE Internal Audit Association (IAA) was set up in July 1995, as a non-profit organization along the lines of its parent body with the support and co-operation of the Emirates Group, the Economic Department, Dubai Chamber of Commerce, Al Futtaim, Emirates Bank and DUBAL. On the 24th of June 2006 the IIA Dubai Chapter sought and gained approval to become the official UAE Chapter. In 2008 they obtained a license to become the UAE Internal Audit Association. The Association now has the support of leading companies from the UAE who are involved in promoting the profession of Internal Auditing through this medium.

Held on 16<sup>th</sup> and 17<sup>th</sup> March 2014 at the Dubai world trade centre. The formula 1 conference was hosted by the UAE Internal Audit Association (IAA) - a global affiliate of the Institute of Internal Auditors Inc. (IIA), the leading international professional body for auditors. The conference is attracted more than a 1,000 professionals in the field from the across the Middle East region. It featured recognized and respected keynote speakers from across the globe who discussed the latest topics impacting the internal audit profession now and in the future, along with workshops and professional development sessions. The theme of the 2014 conference is "Formula 1 Audit, The Future Race". The UAE IAA's Regional Audit Conference is the internal auditing profession's premier training event in the Middle East.

Ahmed is proud to be part of this prestigious event. The BTL conference collaterals from the delegate registration kits, to the conference certificates and handouts, the standard and extra wide roll-ups to the registration counters branding to the huge directional signage, from the information-boards to the photography, we indeed feel honored to be associated with this event and have successfully delivered another event that has become the building block of our growing success.

The client has given us a great review and graciously thanked us for the support. Since then we are consistently delivering successful events for the company till date.
